Ofsted Report

Dear Parents,

We are very pleased to attach the Ofsted report for our inspection on 24th and 25th June 2015.

Ofsted have assessed that we are a **'good'** school in all areas. This is a big step forward from the previous outcome of 'requires improvement,' however our aim is to continue our efforts to improve the school further in the future.

The Inspectors commented on how positive the feedback was from parents – we are very grateful for your continued energy and support.

Staff and Governors are delighted with the outcome. All members of the staff team and Governing Body have worked very hard since the last report and have shown dedication and commitment to improving our school.

We hope you will agree that this is very satisfying end to the academic year.

The report is published on the Ofsted website on Thursday 16th July 2015 when it will become available for the public to view.

Yours sincerely,

Mrs. L. Corral
Headteacher

Mrs. H. Darrell
