Numbers in red pending installation.

Who / What	Impact on children	Cost	Review of Impact
Provision of sports coaches leading activities at lunchtimes	<ul style="list-style-type: none">• More children engaged in active lunchtime• Children are encouraged to take in team activities (mental wellbeing improved)• Children improve skills	£5967	Children enjoyed the activities. More children were active as a result.
Training and leadership time	<ul style="list-style-type: none">• PE lead able to plan training in staff meetings• PE lead gains valuable knowledge about the latest developments and ideas in PE• RQT able to attend whole day PE course to gain ideas• PE lead develops knowledge of subject	£940	Staff attended a meeting led by PE lead regarding risk assessments and participated in updating PE risk assessments. Children were given greater opportunities to use the wall bars. Staff will benefit from more training in the Autumn term to follow-on from a course attended by PE lead in Summer.
Playground resurfacing and marking	<ul style="list-style-type: none">• Playground surface becomes safer to play on• Playground is more useful for clubs/lunchtime activities• Children's active play is inspired by markings	£22 000 Installation Summer/Autumn	The new surface will be heavily used, particularly in the Autumn term and Spring term when the field is not available due to wet weather. This will enable safer play as the current surface is becoming worn with loose grit.
Purchase of outdoor sound system	<ul style="list-style-type: none">• Sound system is used to raise the profile of PE through Sports Day and other outdoor activities such as dance break times and outdoor dance lessons	£300	The sound system has been used effectively to commentate on Sports Day and play music which has increased the children's enjoyment of PE. Several people commented on the atmosphere it promoted and one parent emailed school to note the visible enthusiasm the music added to
