

Y3 Home Learning Spring 2023

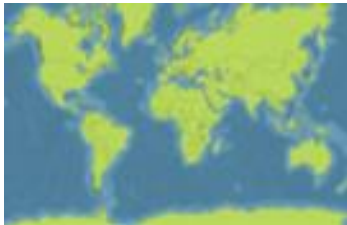

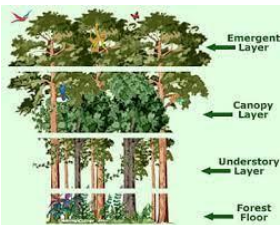

Daily / Weekly

- **Reading:** please continue to read with your child every day and ask them questions to check they understand what they are reading.
- **Mathletics:** weekly tasks are set to support the learning we are doing in class. **Please practice times tables with your child:** they will be tested weekly.
- **Spellings:** spelling sheets will be sent home every week. Spelling tests are on a Friday

Rainforests

Topic related activities

We would like you to complete at least 3 of these (but you can do more!)

<p>Write a diary entry recounting a day in the life of a tribal child.</p> 	<p>Paint a picture of a rainforest creature.</p> 	<p>Compare a forest in the UK to the Amazon Forest.</p>  <p style="text-align: center;">Amazon/Sherwood Forests</p>
<p style="text-align: center;">Plants</p> <p>Explain the importance of temperature, light, water and soil for the growth of plants in a rainforest.</p> 	<p style="text-align: center;">Where in the world are there Rainforests?</p> 	<p style="text-align: center;">Who lives where?</p> 
<p style="text-align: center;">Write a fact sheet on a Rainforest animal</p> 	<p style="text-align: center;">Plants</p> <p>Create a detailed diagram to explain the life cycle of a flowering plant.</p> 	<p style="text-align: center;">Why does the Rainforest need protecting?</p> <p>Write a newspaper article persuading the public to take positive actions to protect the world's rainforests.</p> 
<p style="text-align: center;">Create a model of the four different layers of the rainforest.</p> 	<p style="text-align: center;">Predators and Prey</p> <p>Draw a food chain that shows how the animals and plants need one another for their survival.</p> 	<p style="text-align: center;">Explore the different ways in which humans are damaging rainforests, and how that affects the health of the planet.</p>
