‘Soaring to Success’

SPORT PREMIUM FUNDING: REVIEW OF PLAN 2022-23 Total funding = £43,169 (including a carry-forward of £23,863)

| Who / What | Impact on children | Cost | Review of Impact |
|--|--|--------------|---|
| Provision of sports coaches leading activities at lunchtimes | <ul style="list-style-type: none"> • More children engaged in active lunchtime • Children are encouraged to take in team activities (mental wellbeing improved) • Children improve skills | £4 973 | Children enjoyed the activities. More children were active as a result. |
| Playground resurfacing and marking | <ul style="list-style-type: none"> • Playground surface becomes safer to play on • Playground is more useful for clubs/lunchtime activities • Children’s active play is inspired by markings | £22 977 | The new surface has been heavily used, particularly in the Autumn term and Spring term when the field is not available due to wet weather. This has enabled safer play. |
| External visitors - Urban strides dance group visit - Golf Day | <ul style="list-style-type: none"> • Children will be enthused in new types of dance • Greater participation in dance from boys in particular • Children have an opportunity to experience a new sport • Raise the profile of golf within the school and professional development for staff in the form of ideas and inspiration | £700 £189 | The children loved the dance workshops and there was lots of positive feedback from staff and pupils. Again, the golf day elicited great feedback, with one boy who is Pupil Premium saying ‘I’m going to go home and buy some golf clubs so I can do this at the park.’ Shortly after the day, one of our teachers planned golf into her PE because the children had enjoyed it so much. |
| Playtime resources and storage | <ul style="list-style-type: none"> • Additional play equipment encourages active play • Resources are stored securely and safely | £469 | Children have loved the new equipment. |
| Activity trail additions | <ul style="list-style-type: none"> • New, safe tunnel for children to crawl through and complete trim trail in KS1 where before it was blocked off • Scrambler for Year 2 children to add to their outdoor area • Climbing wall in KS2 playground • 3 activity bars added to the large climbing frame | £13 861 | Children building upper body strength through additional activities to help improve life-saving skills from swimming. Children learning how to manage risk safely. More children engaged |
