The Bellbird Primary School
'Soaring to Success'

Year 2 Skylarks and Goldfinches HOME LEARNING
### Spring 2024

Daily / Weekly

- **Reading**: Read **with** your child for a minimum of 15 minutes each day – don't forget the weekend!
- **Number**: Mathletics homework will be set every other week.
  Practise the 2, 3, 5 and 10 times tables.
  Complete the Multiplication 2Do on Purple Mash.
  Practise your number bonds by completing the Bond Bubbles 2Do on Purple Mash

Shape:
Go on an outdoor shape scavenger hunt. Which shapes can you find? What are their features and patterns? Take photos or record your observations with drawings.

- **Spelling**: Spellings will be set every Friday and tested the following Friday. Spelling and phonics activities have been set as 2Dos on Purple Mash.
- **Grammar**: Complete the following 2Dos on Purple Mash:

Rainy Day

Ice cream tenses

Making Lists

Lily's Dog

Home Learning Tasks Linked to Topic, Science and Art and Design

History Homework Tasks for all Year 2 Children

Task 1 - Making a Tudor House

Please complete this task by Monday 26th February.

We would like the children to attach two boxes together and cut the flaps on the larger box to make a roof. Follow the link below:

https://www.youtube.com/watch?v=vx3l8ebV0eY

PLEASE DO NOT COMPLETE THE WHOLE PROJECT AS WE WILL BE PAINTING AND ADDING THE DETAIL TO OUR HOUSES IN SCHOOL.

Task 2 – A Costume for our Great Fire of London Day

Find out about the clothes that children wore in 1666. Put together a simple costume for our Great Fire of London day on Tuesday 13th February. There is more information in the letter that was sent out in the Autumn term.

We would like you to complete at least 2 of these (but you can do more!).

Great Fire of London Paint Project

This has been set as a 2Do on Purple Mash.

Science – Materials (Spring 1)

Choose a material to make a small figure, for example, a person made out of tin foil or a figure made out of corks. Other materials made be used to join parts. The children may want to use wool or fabric to make their figure.

Can you build a new chair for baby bear?

Goldilocks has broken Baby Bear's chair! He is really sad. Can you build him a new chair? Use all of your knowledge of materials to help you decide what to make it out of. What properties should the material have to make it a good chair?

Are you going to use something hard or soft, weak or strong, flexible or stiff, light or heavy? What do you want your material to look like? How will you decorate it?

You could use things like Lego / bricks or use items from your recycling bin (ask your adult first).

Science – Plants (Spring 2)

Do you remember all the main parts of a plant? Have a look at these in more detail on BBC Bitesize. You will learn about these parts of a plant and what they do: the roots, the stem, the leaves , the flowers and petals and the seeds. There is even a quiz to test your knowledge.

https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/z3wpsbk

Parts of a plant

Can you make a picture or a model of a flowering plant using different craft materials?

You could use things like: straws, paper, fabric, cupcake cases, tissue paper, wool, pipe cleaners. Think about what you might use for seeds. You could even use some real seeds if you like. Think about where you might find them.

When you have created your flowering plant, label your plant with its main parts.

Art and Design

Bread Making

In 1666 a fire started in a bakery in Pudding Lane. Find a simple recipe for making bread.

You will find some ideas here:

https://www.bbcgoodfood.com/recipes/collection/kids-bread-recipes

You might like to try making hedgehog rolls or flowerpot bread.

---

*These can be brought into school at any time **on or before 15⁷ᵗʰ March** and will be shared each week on Fridays.*

Have fun!
