

### Important Information

Please could reading folders come to school every day.

Please wear PE kit to school on PE days (Mondays and Thursdays).

Please bring a bottle filled with water every day, as well as a sun hat.

Please can sun cream be applied at home.

Our sharing assembly will take place on Wednesday 22nd May. More details to follow.

### Science

We will be learning to identify and name a variety of wild and common plants, including deciduous and evergreen trees. We will also be describing their basic structure. We will be planting in the allotment and will hopefully be able to harvest our crops before the end of the school year!

### Computing

In computing, we will be thinking about simple coding and how to give a computer instructions.

### PE

We will be learning to participate in team games, developing simple tactics for attacking and defending. We will be practicing throwing, rolling, catching and kicking in different ways.

## Topic: Up, Up and Away

### Maths

In maths we continue to work on numbers within 50. We will start to think about grouping and sharing. We will then find out how to find a half and a quarter. We will also learn to tell the time to hour and half past the hour.

### RE

In RE we will begin to learn about the Jewish faith and what is important to Jewish people.

### PSHE

We will be learning about personal safety and healthy and safer lifestyles.

### Topic (History and Geography)

We will be learning about different methods of transport and how they have developed and changed throughout history.

### Music

In music we will be listening to and appraising a variety of pop songs as well as listening to music from around the world.

### Art/DT

In DT we will be making a vehicle using junk modelling. We will also be creating some whale inspired pieces of art.

### English

We will start this term with 'The Storm Whale' by Benji Davis. We will then explore non-fiction writing and learn about whales and their journeys.

After half term we will learn about Amy Johnson and her amazing solo flight from the UK to Australia.

We will continue our daily phonics sessions, consolidating phase 5 phonemes and common exception words.
