Appendix 1: breaches of the code of conduct **Aims, scope and principles**

This policy aims to set and maintain standards of conduct that we expect all governors to follow.

By creating this policy, we aim to ensure that governors carry out their role with honesty and integrity, and help us to ensure our school is an environment where everyone is safe, happy and treated with respect.

The code is based on the Maintained Schools Governance Guidance 7th March 2024.

It should be read alongside our constitutional documents (e.g. our instrument of government, standing orders and any scheme of delegation).

Failure to follow the code of conduct may result in disciplinary action being taken, as set out in the appendix.

Please note that this code of conduct is not exhaustive. If situations arise that are not covered by this code, governors will use their judgement and act in the best interests of the school and its pupils.

The 7 Nolan principles of public life

As governors, we will follow these principles set out by the government at all times. They apply to anyone who holds a public office:

- **Selflessness** – we will act in the public interest
- **Integrity** – we will not act or take decisions to gain financial or other material benefits for ourselves, our family, or our friends. We will declare any conflict of interests
- **Objectivity** – we will act and take decisions impartially, fairly, and on merit. We will use the best evidence and avoid discrimination or bias
- **Accountability** – we understand that we are accountable to the public for our decisions and actions. To make sure of this, we will be scrutinised where necessary
- **Openness** – we will act and take decisions openly and transparently. We will not withhold information from the public unless there are clear and lawful reasons for doing so
- **Honesty** – we will be truthful
- **Leadership** – we will actively promote and support the above principles and will challenge poor behaviour wherever it happens

Governors' responsibilities

The 3 functions of our governing board are to:

- Ensure clarity of vision, ethos and strategic direction of The Bellbird School
- Hold executive leaders to account for the educational and financial performance of The Bellbird School and the performance management of staff
- Oversee the financial performance of The Bellbird School and make sure money is well spent

In order to do this effectively, as individuals we will:

- Understand and respect the distinction between the roles and responsibility of the Governing Body and those of the school leaders

- Set and maintain an ethos of high expectations for everyone in the school community, including in the conduct and the professionalism of the Governing Body itself
- Preserve and develop the character of The Bellbird School
- Not undermine fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs
- Operate and make decisions in the best interests of pupils, informed by the views and needs of our key stakeholders (pupils, parents, staff, the local community and the local authority)
- Follow the school's policies and procedures, and the procedures of the Governing Body as set out in relevant legislation, statutory guidance, and the school's constitutional documents
- Take responsibility for our self-evaluation, regularly reviewing our Governing Body's performance, constitution and skillset
- Take part in any training or development required to fill any gaps in the skills we need for effective governance
- Understand that where responsibility has been delegated, the Governing Body as a whole remains accountable and that important decisions relating to core functions will be made by the full Governing Body
- Comply with relevant guidance and legislation that sets out how we must manage our school's money, and procure goods and services
- Act with integrity and transparency when making financial decisions, and understand that our financial management and decision-making will be scrutinised and audited
- Declare all gifts worth more than £10 and record them on the gifts and hospitality register. We will not accept bribes.
- We will work to actively identify and manage risks to the school

Working with others

We will:

- Support and strengthen school leadership by providing constructive challenge to leaders, and holding them to account
- Respect the role of the school leaders and avoid routine involvement in operational matters
- Respect each other's views
- Work together as a board to develop effective relationships with stakeholders
- Engage meaningfully with the communities we serve and understand that we are answerable to these stakeholders

- Follow the Equality Act 2010, and apply the principles of fairness and equality in everything we do

Commitment to governance

- We will attend all meetings where possible. Where we cannot attend, we will explain our valid reason and give suitable notice
- We understand and accept the time and workload commitments of the role
- We understand that work should be shared among members and that all governors are expected to take an active role
- We will prepare ahead of meetings to ensure we make informed contributions
- We will participate in regular pre-arranged school visits in accordance with school policy
- We will attend any training or development activity needed to ensure the board has a wide range of skills and expertise

Openness and transparency

Conflicts of interest

To make sure our Governing Body takes impartial decisions without bias, we will:

Publish an up-to-date register of business and pecuniary interests of all governors including associate members

Declare any potential conflicts of interest at the beginning of each meeting, and withdraw from the meeting for the relevant item of business and not vote on the matter **Publishing information**

To ensure our board is transparent and open to the community we serve, we will make certain information publicly available.

We accept that the following information will be published on the school's website to ensure transparency:

- The structure and remit of the board and any committees, and the full name of the chair of each one
- For each governor who has served at any point over the past 12 months:
 - Their full name
 - Their date of appointment
 - Their term of office
 - The date when they stepped down (where applicable)
 - The body which appointed them
 - Their relevant business and pecuniary interests

- Their attendance record at board and committee meetings over the last academic year

We accept that the information relating to governors will be published on the school website

We accept that the approved board and committee minutes and any agenda and papers considered at a meeting will be made available to any interested person.

In the course of our role, we are sometimes privy to sensitive information. We will observe confidentiality when discussing this information, and will not publicly disclose:

We will continue to observe confidentiality after we have left office.

Breaches of confidentiality

In the event of a breach of confidentiality, we will inform the chair as soon as possible who will investigate the matter further.

Governors understand that if they breach confidentiality, they may be suspended.

Data protection

We will follow the school's information security processes and measures and data protection policy (if applicable) when using, storing, sharing and disposing of personal data.

Uphold the reputation of the school at all times

Appendix 1: breaches of the code of conduct

If we suspect a governor has breached the code of conduct, we will follow this procedure:

The Chair will investigate

The Chair will hold a meeting with the governor to discuss the issue. The governor can bring a friend to the meeting. Another governor will attend to corroborate any decisions. If the situation doesn't improve, or there is another suspected breach, we will take action to improve the issue. This may involve:

- Further meetings with the chair to reset expectations, based on this code of conduct
- Support, mentoring or training for the governor
- Making sure the governor withdraws from votes connected to any disputes they have been involved in

If there is no improvement in the governors' behaviour, the Governing Body will vote on a motion to suspend them for up to 6 months. This is a last resort and will not be used without the above steps being taken, except in exceptional circumstances. Governors may be suspended if they:

Are a staff governor undergoing disciplinary proceedings at the school

Are undergoing court or tribunal proceedings that would result in the governor being disqualified from holding office

Have acted in a way that is inconsistent with the ethos [and/or religious character] of the school and has brought, or is likely to bring the school into disrepute. Breach confidentiality

'Bringing the board into disrepute' may include, but is not limited to:

Speaking out publicly against the school

Being disrespectful to members of the school community

Behaving inappropriately in a public forum, such as a PTA meeting or on social media

We may remove a governor from office where:

There have been repeated grounds for suspension

There has been serious misconduct. We will determine what counts as serious misconduct based on the facts of the case, but it will include any actions that compromise the 7 principles of public life, if sufficiently serious

They display repeated and serious incompetence

They have engaged in conduct aimed at undermining fundamental British values

Their actions are significantly detrimental to the effective operation of the Governing Body, or their actions interfere with the operational efficiency of the school.
