

The Bellbird Primary School
Home–School Partnership Agreement 2026

Working together to help every child 'Soar to Success'

At The Bellbird Primary School, we believe that children achieve their very best when school and home work together. This agreement sets out how we will work in partnership to help every child flourish academically, socially and emotionally through our shared **CARE values**:

Curiosity – We encourage children to ask questions, explore new ideas and develop a lifelong love of learning.

Ambition – We inspire children to work hard, persevere and achieve their personal best.

Respect – We value ourselves, others and our environment, treating everyone with kindness and fairness.

Empathy – We encourage children to understand, support and care for others, celebrating difference and belonging.

As Parents and Carers, we will:

- ensure our child attends school every day, arrives on time and is ready to learn;
 - support our child's learning through reading, homework and positive conversations about school;
 - encourage excellent behaviour and reinforce the school's CARE values;
 - work in partnership with school staff, sharing information that may affect our child's wellbeing or learning;
 - attend meetings and discuss our child's progress;
 - support the school's attendance, safeguarding and behaviour policies;
 - communicate respectfully with all members of the school community;
 - celebrate our child's achievements and encourage resilience when challenges arise.
-
